

PRODUCT INFORMATION

Add a touch of rough-hewn character to any landscape using the Highland Stone[®] freestanding wall system. Mix and match using these 6- and 3-inch high blocks to create a distinctive look that will stand out in any neighborhood.

- Available in two heights and three different face lengths for a random look
- Can be used for straight or curved walls
- Use as seating areas, borders and courtyards
- Can be used for walls up to 3 feet high, including buried course, but excluding the cap
- Columns or pilasters constructed with the pillar units can be built up to 6 feet high, including buried course
- Minimum radius using three units of the same height: 3 feet 9 inches*
- Maximum straight-wall length between design elements: 10 feet*

**May vary depending on the installation pattern.*
