

Seatwalls

Lakeland and Riverland seatwalls create privacy and define your outdoor living space...

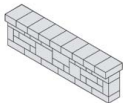

Seatwalls transform your outdoor living area into something special, adding both flair and functionality. Plus, the easy to estimate six foot lengths make planning your project a breeze. The Riverland seatwall is just like Lakeland only it's designed to turn a eight foot radius without making any cuts.

Standard Features:

- Easy to assemble, course-by-course instructions
- Concrete pre-cut and sized to fit
- Super-Stik adhesive included
- Rockwood's multi-piece Lakeland and Riverland wall systems

No cutting, no guessing, no hassles – no problem!
