

PRODUCT INFORMATION

Bayfield[®] 6"/3" multiheight retaining and freestanding wall systems

The Bayfield[®] retaining wall system combines earthen tones, rich textures, varied contours and all the advantages of the rear-lip locator, making it a reliable and easy-to-install alternative to natural stone walls. Use of the 6-inch-high Bayfield units alone or mixed with the 3-inch-high blocks creates stunning retaining walls.

Retaining wall system

- Available in two heights and three face lengths
- Can be used for gravity walls up to 4 feet 6 inches high, including buried course, but excluding the cap*
- Original rear-lip locator
- Taller walls can be built using geosynthetic reinforcement or the Anchorplex[™] retaining wall system when designed by a qualified engineer
- Minimum outside radius, measured on the top course to the front of the units: 4 feet**
- Minimum inside radius, measured on the base course to the front of the units: 8 feet**

Bayfield 6"/3" multiheight freestanding wall system

Bayfield® 6"/3" multipiece retaining wall system

Bayfield 6"/3" multipiece retaining wall system

Freestanding wall system

- Available in two heights and three different face lengths for a random look
- Can be used for straight or curved walls
- Use as seating areas, borders and courtyards
- Can be used for walls up to 3 feet high, including buried course, but excluding the cap
- Columns or pilasters constructed with the pillar units can be built up to 6 feet high, including buried course
- Minimum radius using three units of the same height: 3 feet 9 inches**
- Maximum straight-wall length between design elements: 10 feet**

**This height assumes cores are filled with drainage aggregate, level backfill and clean, compacted sand or gravel and no surcharge.*

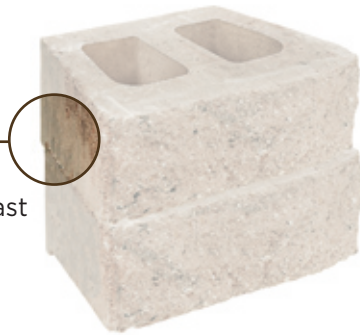

***May vary depending on the installation pattern.*

Bayfield® 6"/3" multiheight retaining and freestanding wall systems

No pins. No mortar.
No misalignments.

Rear-lip locator, invented by Anchor, makes installation fast and accurate. Anchor™ - the original rear-lip product!
